Contract of Insurance

Motor Trade Road Risks Insurance Policy

This document is a legally binding contract of insurance between **you** and **us**. Nobody else has any rights they can enforce under this contract except those rights they have under road traffic law and the Third Parties (Rights Against Insurers) Act 2010. The Contracts (Rights of Third Parties) Act 1999 does not allow any additional rights under this Policy in favour of any third party. The contract is based upon the statements made or information **you** gave **us** in the **proposal form** or **statement of fact**.

We agree to insure **you** under the terms of this contract within the **territorial limits** during the **period of insurance** for which **you** have paid or agreed to pay the premium.

You must read this Policy, together with the **schedule** and the **certificate of motor insurance**. The **schedule** tells **you** which sections of the Policy are in force and any **endorsements** that apply. Please check all documents carefully to make certain they give **you** the cover **you** want. It is **your** responsibility to ensure that all persons insured are aware of the terms of this Policy.

Disclosure and Accuracy of the Information **You** Have Provided

In deciding to provide the insurance under this Policy and setting the terms of it, **we** have relied on the information **you** have given **us**. The information **you** give **us** in relation to the insurance under this Policy must be accurate and complete

In addition to the answers **you** have provided to questions asked **you** are required to disclose material circumstances that gives a fair presentation of the risks that are or would be insured under this Policy.

A fair presentation of the risks means that **you** must:

- disclose to **us** every material circumstance which **you** know or ought to know or, failing that, sufficient information to alert **us** of the need to make further enquiries; and
- make such disclosure in a reasonably clear and accessible manner; and
- ensure that, in such disclosure, any material representation as to:
 - a matter of fact is substantially correct, and
 - a matter of expectation or belief is made in good faith.

A circumstance or representation is material if it would influence **our** judgement (as a prudent underwriter) in determining whether to take the risk and, if so, on what terms. If **you** are in any doubt as to whether a circumstance or representation is material, then **you** should disclose it.

If, before or after the start date of this insurance as shown under the **period of insurance**, **you** become aware that the information **you** have given to **us** is inaccurate or incomplete or

you have any particular concerns about any of the information **you** have provided or should provide then **you** must advise **your insurance intermediary** as soon as possible. If the information **you** have given **us** in relation to this insurance proves to be inaccurate or incomplete, then **we** may:

- amend the terms of this Policy, which may be applied as if they were already in place prior to any claim where the validity of that claim was impacted by the inaccurate or incomplete information, or
- reduce the amount **we** pay on a claim in the proportion the premium paid bears to the premium **we** would have charged **you** had the information not been inaccurate or incomplete, or
- treat this Policy as if it never existed, which means no claims will be paid and the premium paid under it will be returned to **you**. This will only be done if this insurance would not have been provided if the information had been accurate or complete.

If **we** establish that **you** deliberately or recklessly provided false or misleading information in relation to the insurance provided under this Policy, **we** will treat this insurance as if it never existed, which means no claims will be paid and **we** will not return the premium. If this happens **we** will advise **your insurance intermediary** and **you** in writing to **your** last known address.

Change in Risk Information

If the information **you** have given **us** in relation to the insurance provided under this Policy changes, or there is any change in or variance of the risk(s), before or during the **period of insurance**, then **we** need to know as it may result in:

- **us** applying different terms, and/or
- a claim not being paid (in whole or in part), and/or
- it being determined that the Policy is no longer suitable to meet **your** needs.

You must make a fair presentation of the risks to **us** if there is any change in or variance of the risks before or after the start date of this insurance as shown under the **period of insurance**. An explanation of fair presentation of the risks is shown under Disclosure and Accuracy of the Information **You** Have Provided above.

To enable **us** to assess any such changes or variations in information and/or risk(s) **you** must tell **us** immediately or as soon as practicable of any such changes or variations. This can be done by advising **your insurance intermediary**.

The Financial Services Compensation Scheme covers this Policy. **You** may be entitled to compensation if **we** cannot meet **our** liabilities under this Policy depending on the type of insurance and the circumstances of **your** claim.

What is covered

We will cover **your** permanently fitted audio and/or communication equipment against loss or damage. This is subject to the amount of **excess** shown in the **schedule**. **You** must pay the appropriate **excess** for each **claim you** make.

What is not covered under Section 4

We will not pay:

- More than £250 for any claim under this section.

Minimum Cover

- Any country in respect of which the European Commission is satisfied has made arrangements to meet the requirements of Article 8 (1) second subparagraph 7 of EU Directive 2009/103/EC relating to civil liabilities arising from use of a **motor vehicle**.

This Policy automatically provides the minimum compulsory level of cover **you** need by law in the country concerned. This legal minimum does not include loss of or damage to the **motor vehicle**.

Full cover within the European Union

We will extend the Policy to provide the same cover shown in **your schedule** to any country of the EU and also Croatia, Iceland, Liechtenstein, Norway and Switzerland provided:

Section 6 Motor Insurance Database

All vehicles insured on **your** motor trade Policy and all trade plates owned by **you** should be added to the MID (Motor Insurance Database), including:

- All permanent **motor vehicles** registered to, owned by or leased to **you**, or any **motor vehicle** regularly covered under **your** Policy for **your** motor trade business.
- Taxed stock vehicles held longer than 14 days.

It is **your** responsibility to ensure that the necessary information relating to **your** vehicle schedule is supplied. Deletion of vehicles must also be notified. The maximum possible penalty for not submitting data to insurers or if **you** do not respond to a query about a vehicle being covered is a fine of £5000.

Please be aware that although **you** have 14 days to update the MID once **you** have taken possession of the vehicle, immediate notification of **your** insured vehicles to MID reduces the risk of **your** drivers being stopped and vehicles seized by the police.

If **you** have sold a vehicle and not removed it from **your** MID record **you** may be liable if the new owner has not arranged their own insurance. This may result in **us** dealing with any third-party claim which will have an impact on **your** no claims discount.

Policyholders must keep records of vehicles held for less than 14 days and be prepared to provide information to the information centre on request. These vehicles may be notified to the MID if the policyholder wishes to do so.

Vehicles submitted to the MID are still subject to the underwriting acceptance criteria of **your** individual motor trade insurance Policy. **You** should check **your** Policy documents for the details of the types of vehicles that **your** motor trade Policy will cover. If **you** are still unsure, please contact **your insurance intermediary**.

Data Protection Notice

Please read this data protection notice carefully as it explains how we use your personal information.

In this data protection notice, “**we**”, “**us**” and “**our**” refers to Eridge Underwriting Agency Limited and QIC Europe Limited unless otherwise stated.

This section contains important information about how **we** may use the information **you** give **us**. This section applies to anyone covered under **your** Policy and **you** should show this to them and obtain their permission before giving **us** their personal information.

Information **you** provide about **you** and others may be used by **us** to process **your** request for insurance, administer **your** Policy or any subsequent claim **you** make – see “How **We** Use the Information” below. **We** will do this in accordance with the General Data Protection Regulations (GDPR), Data Protection Act and other applicable laws.

In order to assess the terms of **your** insurance contract or administer claims that arise under it, **we** may need to collect data that is classed as special category data (such as information about drivers’ medical conditions) and information about criminal convictions including motoring offences.

Before **you** provide any information about someone else (e.g. an additional driver) **you** must have their permission to do so. **We** will act on the basis that **you** have done this.

Information **We** Hold

We collect and retain **your** information when **you** purchase an insurance Policy with **us**, renew or make changes to **your** Policy and when contacting **our** claims department. **We** only collect, use and store **your** information where **we** have lawful grounds and legitimate business reasons to do so. Information **we** store about **you** may include:

- Personal information; any information relating to a living person that can be used to directly and indirectly identify that person.

Failure to notify **us** of a change to the Policy information may result in **your** Policy being cancelled from the start date, additional premium being applied, or **your** claim being rejected or not paid in full.

We will keep **your** information as long as **we** need to for the purposes as outlined in this notice. **We** will retain **your** information for these purposes after **your** Policy has come to an end; for instance, so **we** can respond to any complaints or challenges, which may arise after the **period of insurance** has expired. When **you** tell **us** about an incident which may or may not give rise to a claim, **we** will pass information relating to it to these registers.

The DLN may also be used to search **your** (or any person included on the proposal) No Claim Discount (NCD) details against a no claims discount database to obtain information in relation to **your** NCD entitlement. Such searches may be carried out against driving licence number, name, date of birth, Vehicle Registration Mark (VRM) and postcode.

We may pass details of **your** No Claims Discount (NCD) to certain organisations to be recorded on an NCD database.
